Who are the EHS Thespians?

We are a 10-12th grade extracurricular program that involves nearly 200 high school students. We are the largest non-class, student organization at Edina High School. We are an award-winning theater program that presents four major performances & another group of mini shows each academic year. We will put in a combined 35,000+ hours of theater rehearsals before and after school during the academic year. We will entertain nearly 7,000 of your neighbors and customers, mostly in sold-out shows.

We are the students that know how to act!

Theatre is a great development program. It helps high school students gain confidence, deal with real life situations, provides countless participation opportunities, requires a significant commitment and entertains the community. Theater educates!

The EHS program has evolved into one of the top theater programs in the State producing sought after graduates. Theater provides students a creative outlet and a home.

There are a number of options available for you to participate with us. You can obtain more information about our program and sponsorship opportunities at:

THANK YOU FOR YOUR SUPPORT!

This is the best entertainment value in Edina!

CURTAINS,

the EHS Fall Musical, kicks the season off on November 5th.

With 7+ performances, this musical comedy will continue the trend of outstanding sold-out performances at the Edina Performing Arts Center. The musical is a send-up of backstage murder mystery plots, and follows the fallout when the supremely untalented star of *Robbin' Hood of the Old West* is murdered during her opening night curtain call. Can a police detective who moonlights as a musical theater fan save the show, solve the case, and maybe even find love before the show reopens, without getting killed himself? *Find out!*
